Industrial Arts

By Joe Dreiling

The school year is nearly at its end and the industrial arts students are busy completing their projects. Many students are attending the Western Kansas Technology Education Fair. Students from around the state will be given the opportunity to display and compare their work. This competition is held at the Gross Memorial Coliseum on the Fort Hays State University campus on May 2nd and May 3rd. There are many categories for the students to choose from such as: Communication Systems, Power/Energy, Production Systems, and Multi-Pupil Activities.

Any student that has a completed project in the 18-19 school year can enter their work. Entering this competition is completely voluntary. Projects are divided into categories such as woods, drafting, and metals. Then the projects are subdivided by age, because it would not be fair to have a freshman student to compete against a senior with more experience. If your child is interested in entering competitions that display their work, I highly recommend that you have them enroll in the Introduction to Industrial Technology course and get started early in their education.

FFA

By Gloria Belton

Plainville FFA has been very busy this school year preparing for competitions and serving the community. We have achieved a lot of success in our competitions. The Greenhand Team placed 2nd in Food Science and 3rd in the Ritual Contest. Several FFA members helped serve the meal for the LV Bar Bull Sale as well as serving a soup lunch on Election Day. It was a great opportunity to visit with community members from Plainville and surrounding areas. National FFA Week was February 18-21 this year. FFA members were very busy during FFA week. On Monday, members enjoyed hamburgers and hot dogs for lunch. Later, officers taught a chicken lesson to the 2nd Grade class where students learned about how chickens are raised. On Tuesday, the whole school participated in Ag Olympics with games including a M&M challenge, marshmallow toss, roping, oreo face challenge and tug of war. Wednesday, FFA officers handed out ice cream sandwiches to all high school students after lunch. On Thursday, FFA Week was concluded with members making breakfast for all high school staff and board members. Thank you to all of the Plainville FFA Supporters.
