# MRS. RUDMAN PHYSICAL EDUCATION

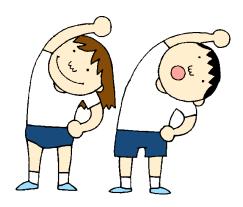

### 2020 Go Red Fundraiser

February is heart health month, and the Plainville Elementary students discuss different ways to keep their hearts healthy. They will also be raising money to make a difference in their own school. Last year, we held our first Go Red Fundraiser that was a huge success. The students were so happy to not only donate to the American Heart Association, but they also were very excited to see what kind of equipment was purchased for physical education classes along with indoor recess activities.

This year we are setting ourselves a big goal! We are aiming to raise half the cost for a large cement slab to be placed on the playground. This would not only give kids a place to play basketball and four-square, but it would also provide a place to play outside on muddy days.

The students will be looking to raise money around town to help contribute to our cause. There will be small incentives such as a free entry to a high school basketball game and a T-shirt made by our Cardinal Creations. Please consider helping us reach our goal of improving our playground so that we can spend more time being physically active at school!

# Mrs. Ternes Senior High English and Forensics

#### **PHS Forensics Tournament in Need of Judges**

PHS Forensics is excited to get its season underway. Our first tournament was January 25th at Kinsley where the team placed third, and our season will end with the state tournament on May 2nd in Wichita.

This year's team includes Cory Cimaglia, Abby Dick, Alena Dinkel, Alessa Dinkel, Jlynn Easterberg, Kyron Fry, Braden Gosselin, Reagan Hageman, Jenna Hinger, Aiden Jones, Heidi Jones, Kiara Langholz, Chayse McCullough, Justina Merritt, Jami Morain, Jenna Morain, Garrett Ouse, Melinda Ruder, Audri Shadle, Josiah Slothower, Emily Stamper, Zeven Werner, Isaac Westhusin, and Oliver Wray.

On February 27, 2020, Plainville High School will host a Forensics invitational tournament. We are in need of people to serve as judges.

To judge a forensics tournament, you do not need to be an expert in acting or speaking. The only requirements are: you must be a high school graduate and be able to listen to 6 performances and rank them. As a judge, you will rank those students 1-6, with 1 being the best performer. You will provide some written feedback to the student on their performance, but you will not provide any verbal feedback. There will be a judge's meeting, prior to the tournament, to provide you with some judging tips. All judges will also be provided with a handout with overviews of each of the events and what a judge should be watching for during a round.

Here is the schedule of rounds for the tournament:

Judge's Meeting (Auditorium) 3:45 p.m. (This is optional, but encouraged)

Round 1 4:15-5:30 p.m.

Round 2 5:30-6:45 p.m.

Finals 7:15-8:30 p.m.

You can volunteer to judge one round, two rounds, or all three. A hospitality room will be provided to all judges, coaches, and tournament workers.

The Forensics squad needs your help to make this event successful. Please contact Elissa Ternes or Amy Krob at the high school (785) 434-4547. You can also email us at eternes@plainville270.net or <u>akrob@plainville270.net</u> if you would be interested in judging.

Feel free to talk to one of the Forensics team members to sign up as well.

# MRS. STAMPER FACS, FCCLA, CARDINAL CREATIONS

Everyone is busy in the Family and Consumer Science classrooms. Culinary Arts is filled with students busy learning to organize, prepare, and plate edible goodies. Students have made everything from Green Bean Dumpling Soup (a fan favorite) to batches of sugar cookies for the holidays. In the near future these students will become entrepreneurs by designing and creating dishes to be sold at their own food trucks in the classroom competition. We will be looking for judges if you are interested. Graphic Design is diligently clicking away creating PHS Play programs for Alice @ Wonderland in March. They are also creating fabulous designs that will be displayed at the Hays Art show in the Spring. Our Human Development class is diving into pregnancy and raising children. Don't be too shocked to see several students carrying their "babies" around during the weekends. Do make sure their babies are being cared for properly. The 8th graders in Intro to FACS are anxiously waiting to try out their sewing and cooking skills. This is always a favorite unit for all the students. Finally, Cardinal Creations is busy creating designs to please all our customers. Please let them know if you have any ideas for Valentine's Day, St. Patrick's Day or eventually Graduation in May.

Don't forget FCCLA will be celebrating FCCLA Week Feb 10th - 14th, be on the lookout for some of our fun events throughout school.

Fuel Your February with a Hot Breakfast!

What better way to start a chilly February day than with a hot breakfast? February is National Hot Breakfast month! We know it can be tough to serve up a healthy meal during the morning rush. That's why we offer so many tasty breakfast options at school! Starting the day with a hot breakfast isn't just delicious and satisfying – it also comes with many other benefits!

### Our Breakfast Promise

Schools that offer breakfast options must provide one quarter of your child's daily need for calories and essential vitamins such as:

- Protein
- Calcium
- Iron
- Vitamin A
- Vitamin C

Your child can always choose from dairy options like milk and yogurt, a variety of fruit and vegetables, and grain-based options such as pancakes or waffles. Yum!<sup>5</sup>

### What Makes a Nutritious Breakfast?

The morning meal should include a protein source, such as eggs, milk, or meat options. It should also include a fruit or vegetable. Red foods like cherries, peppers and tomatoes are especially rich in antioxidants.<sup>2</sup>

Allow children to mix-up their morning favorites so they don't have to eat the same meal two or three days in a row. This not only reduces boredom, but ensures they eat a more well-rounded diet.

### **Breakfast Goals!**

There are so many reasons to start the day with a tasty meal! Why not make it a goal to ensure your child gets a hot breakfast every school day this February? Have your child mark a calendar with a sticker every morning they have a hot breakfast.

#### Did You Know?

Students who eat a nutritious breakfast in school have shown improved attentiveness and decreased tardiness and suspensions.<sup>4</sup>
