# PLAINVILLE HIGH SCHOOL JOB OLYMPICS

By Emily Miller

The Job Olympics is an event that takes place every year in Phillipsburg. It is for special education students in the North Central Kansas area. Work simulation stations are set up to test students in work skills; the students are judged on skill level, performance and time. Students prepare by practicing at school before the event. Students can earn medals/ribbons, certificates, and plaques for first, second and third place. The students that attended this year were Wes Higdon, Nolan Sinclair, and Hope Smith. Plainville received first place, based upon the team's average number of points per team member. Congratulations, great job!

### Plainville High School

The National Honor Society of Lincoln High School would like to thank you for your very generous contributions to the Leukemia and Lymphoma Society during our fundraising event during the 2017 Morris-Stephens Tournament. We very recently received this pennant and have decided to pass it on to you, as Plainville High School donated the most money during our fundraising event. With your help and the help of the other schools involved, we were able to raise \$535. In keeping with our pledge, the NHS Chapter of Lincoln High School donated an additional \$100 to Leukemia and Lymphoma Society in Plainville's school name. Again, thank you for your generous contributions. We would not have been as successful in our fundraising efforts without your help.

HAPPY  
MOTHER'S  
DAY!
