Sectional game on November 11<sup>th</sup> will be  
Sunday, November 13<sup>th</sup> at 3 p.m. Notice of time  
and date changes will be through the school  
communication system.**

### **Plainville High School Marching Band By Kevin Pham**

The High School Marching Band attended the High Plains Marching Festival at FHSU on October 24<sup>th</sup> and received an Excellent Rating (II+) in festival competition. In previous years, the band would only attend the festival to watch other schools perform; however, this year was the band's first appearance performing in the festival.

Bands attending the festival are rated by six adjudicators who are focused on specific elements of a marching show. There were two judges for Music Performance, one judge for Marching and Maneuvering, one judge for General Effect, one judge for Percussion, and one judge for Auxiliary. Combining the scores will determine the overall rating for each band. Percussion and Auxiliary Scores are not included in the final score of the band.

The students have been working hard since the beginning of the school year. Through the extra early morning rehearsals and time during class, each member's dedication on making the band sound and look great have been paying off. For years to come, the band will continue to work hard to achieve higher goals and they will continue to make Plainville Proud. Go Cards!

**CAST MEMBERS ARE:**

Dalton Ganoung- Long John Silver

Noah Crawford- Old Smee

Izak Hays- Black Beard

Mykeltie Horting- Black Beard's Smee

Aiden Jones- Red Beard

Bailey Werner- Red Beard's Smee

## Kindergarten is “Kicking Off” a Great Year!

By Mrs. Hovis

Greetings from Mrs. Hovis’ kindergarten class! We are so excited about learning this year! With 13 eager-to-learn students in our class, there is never a dull moment! We have already learned so many new and exciting things to help “grow our brains”. We have also worked very hard on following the rules, learning about how to treat others, and our daily kindergarten routine.

Each day we focus on many new concepts. We have learned about numbers and quantities in our math curriculum. In reading, we are learning about sounds that the letters make, blending those sounds to make words, rhyming, and counting the sounds and syllables we hear in words. We have also been reading, reading, reading!! Learning about how good readers think about characters and setting, retell the stories they read, compare and contrast details in the story, and classify information are just a few of the concepts we have already begun learning about this year.

As November begins, we can say the first quarter has flown by for us in kindergarten for sure! As the saying goes, “Time flies when you’re having fun!” We would agree! Kindergarten is a great place to learn and play! Stop by and see us anytime, we are always excited to show everyone what “SMARTIES” we are!

By Krista Latta

I am so excited to be back this year! We have a lot going on right now and the year will only get busier. The high school choir has sung the national anthem at two football games this year. There are five high school students auditioning for KMEA district and state choir at the beginning of November, so we wish them the best of luck! We have one junior high student singing in the Junior High Choir at Hays High School along with other students from around the district. The high school will be singing at MCL on November 7<sup>th</sup> at Trego, we have preparing for this since the beginning of the school year. The junior high/high school will also have their Christmas program on Monday, November 28<sup>th</sup> in the auditorium after Home for the Holidays. The high school choir will also be preparing for contest in April and will be having their Spring Concert on Monday, May 1<sup>st</sup>, which will include the art viewing from Mrs. Wells’ students, along with singing at Baccalaureate and Graduation in May. The junior high will have contest in February and will also be singing at 8<sup>th</sup> Grade Promotion in May.

The elementary students are busy preparing for their Christmas Concert on Monday, December 5<sup>th</sup> in the auditorium. We have a rock ‘n’ roll Christmas Concert with all kinds of movement and other surprises, so please join us for that night. They will also have a Spring Concert on Monday, May 8<sup>th</sup>. We have been doing a reward chart for the students who do well each week and then a big drawing at the end of the nine weeks for a chance to win a prize. The 4<sup>th</sup>/5<sup>th</sup>/6<sup>th</sup> graders will be learning recorders in January.

This school year I have added a beginning guitar class, which will play at our concert on November 28<sup>th</sup> and the concert on May 1<sup>st</sup>. This is a class for 7<sup>th</sup>/8<sup>th</sup> graders with one year or less of guitar. We have been learning a few basic chords and the notes on the guitar. We have been talking about proper technique when playing the guitar and learning how to play with a pick.

I thank you for your support of the music program and let me know if there is anything you would like the choirs to sing at in the community because we are always looking for places and people to perform for.

I hope you enjoy our various performances throughout the year and I look forward to seeing everyone at our first concerts of the year!
