## KMEA CHOIR

Plainville Junior High student Emily Stamper will be singing at the KMEA concert on November 4<sup>th</sup> at Hays High.

Six 6<sup>th</sup> Grade students will be singing at the KMEA Elementary concert on December 2<sup>nd</sup> at FHSU Beech/Schmidt Auditorium at 12:30. The students are: Briley Gosselin, Josey Bice, Addybelle Birdsall, Kaydence Grebowiec, Sara Whitney, and Kyleigh Woodward. Congratulations!

Four High School students will be auditioning for KMEA in November, they are: Elena Hageman, Evie Grumbein-Banegas, Alyssa Sowles, and Justina Merritt. Good Luck!

## MUSIC

### By Krista Latta

I am so excited to be back this year! We have a lot going on right now and the year will only get busier. The high school choir has sung the National Anthem at two football games this year. There are four high school students auditioning for KMEA district and state choir at the beginning of November, so we wish them the best of luck! The high school will be singing at MCL on November 6<sup>th</sup> at Ellis, we have been preparing for this since the beginning of the school year. The junior high/high school will also have their Christmas program on Monday, November 27<sup>th</sup> in the auditorium starting at 7 p.m. The high school choir will also be preparing for contest in April and will be having their Spring Concert on Monday, April 30<sup>th</sup>, which will include the art viewing from Mrs. Wells' students, along with singing at Baccalaureate and Graduation in May. The junior high will have contest in February and will be singing at 8<sup>th</sup> grade promotion in May.

The elementary students are busy preparing for their Christmas Concert on Monday, December 4<sup>th</sup> in the auditorium starting at 7 p.m. They will also have a Spring Concert on Monday, May 7<sup>th</sup>. We have been doing a reward chart for the students who do well each week and then a big drawing at the end of the nine weeks for a chance to win a prize. The 4<sup>th</sup>/5<sup>th</sup>/6<sup>th</sup> graders have been learning recorders. We are trying to play them at least once a week throughout the year, instead for just two months. I have six 6<sup>th</sup> graders who will be singing at the KMEA elementary concert at FHSU on December 2<sup>nd</sup>.

I thank you for your support of the music program and let me know if there is anything you would like the choirs to sing at in the community because we are always looking for places and people to perform for.

I hope you enjoy our various performances throughout the year and I look forward to seeing everyone at our first concerts of the year!

## Kindergarten

### By Mrs. Hovis

Greetings from Mrs. Hovis's kindergarten class! We are so excited to be at school "growing our brains" this year! We have been learning so much since school started. Each day we are busy learning letters and sounds. We have begun putting the sounds together to spell and read words. We are also learning to read many sight words! Along with learning to read, we are learning so much about the stories we read together. We are learning about the characters, setting, and plot in a story. We compare and contrast information that we read too. With all of this reading, one might wonder when we have time for anything else, but we do!

We begin everyday with our calendar and math time. We have already been working hard to learn to read, write, and show what we know about the numbers to ten. We will continue practicing these numbers and add the teen numbers soon. We will also learn to add and subtract! We are learning something new every day!!

This year, we are learning from a new Social-Emotional curriculum called Second Step. Each week, we have a lesson that we learn and discuss. We began the year with learning how to follow directions and be good listeners. We have progressed into understanding others' feelings and learning to have empathy for others. These skills are so critical for our young students to learn and practice in order for them to interact with others throughout their lives'. It is exciting to see our students using the skills practiced to be better classmates and friends!

As you can see, our kindergarten day is filled with so many learning experiences! Our students are changing and growing so much during this time in their lives. Stop by and see us sometime to see what we are learning next!
