# PowerSchool

PowerSchool's parent portal uses Single Sign-On accounts.  Parents/guardians will use one login to access all of their children's grades and attendance.  You will need to create a parent/guardian username and password to access PowerSchool.  Your login will allow you to see all your K – 12th grade children in the district.

<mark>Before creating your account, you will need to obtain the Access ID and Access Password for your student(s) from the school office.</mark>

Go to www.plainville270.net and click on the PowerSchool link under "Parents"
or go to plainville.powerschool.com

1. Choose Create Account

2. Fill in your personal information, including a password, which must be at least 6 characters.

3. Enter your student(s) name, Access ID & Access Password (obtained from the school office), and your relationship.

4. Scroll to the bottom of the page and click "Enter".

If you lose your PowerSchool Parent Portal username or password, go to the Parent Portal login page (plainville.powerschool.com) and click "Forgot Username or Password?"

After creating your account online, you can get the PowerSchool Mobile app
for your smartphone, if you'd like.

Look for the app with this symbol:

The app will ask for our District Code for you to sign in.  It is **JNPS**
