Dakota Yost  
Janey Eilers  
Johnni Hillbrink  
Emily Stamper  
Kyle Werner  
Isaac Westhusin  
Jaylenn Wolford

# Mrs. Hovis -- Kindergarten

Greetings from Mrs. Hovis's kindergarten smarties! Is it November already? Time sure flies when you are having fun in kindergarten! We have been so busy learning and growing! This year we have 11 students in our class with five girls and seven boys.

Throughout the first months of school, we have been busy learning school and classroom expectations as well as practicing appropriate ways to interact with others. It has been fun to get to know each other! It is so exciting to watch as our students work together, help others when needed, and spread joy and kindness through words and actions. Learning how to work together and be kind are such important building blocks with our kindergarten students.

We have also been working on academics. Anyone who walks into our classroom can observe students actively engaged in learning letter sounds, sight words, reading comprehension concepts, and so much more! Through our morning meeting and calendar, we learn so much about reading and math. We love to dance and sing to practice concepts we are learning as well. It has also been fun to cook snacks that begin with the letters we are learning. We have made monkey bread and pepperoni pizzas. We look forward to letter Dd when we can make DONUTS!!

We definitely take advantage of every minute of our school day. Science and social studies are favorites in our classroom. We have learned so many concepts so far including the life cycle of apples and pumpkins, intriguing facts about bats and spiders, and we even took a field trip to learn about helpers in our community. One of our favorite experiences so far was interacting through letters and emails with two Gold Star families with the Remembering Our Fallen Memorial. It was an experience we will remember for years to come. When the memorial came to Plainville in October, we even had the opportunity to meet one of our pen-pals and her daughter, who flew all the way from Belgium to visit the Memorial. We are so thankful for this awesome experience! As the year progresses, kindergarten students will continue learning and growing! If you see one of us around town, please ask about what we have been learning. We always love to share!!
